**Workplace Events - 1 & 2 March, Public Events - 3 & 4 March**

Do you know somebody who has been touched by cancer? You can help fight cancer by hosting a CANSA Shavathon event at your company on **1 & 2 March 2012**.

Your staff, visitors, clients and suppliers can shave or spray in solidarity with a cancer survivor for a R50 donation (children under 12 – R25). Many companies and organisations match this donation as a Corporate Social Investment (CSI) project.
